We have a very fine lot of Gloxinia Bulbs that we are selling to the trade at \$4.00 per 100. These are extra fine kinds and colors.

As good raffia is getting very scarce we have purchased direct 1000 pounds and are selling same at 25 cents in ten-pound lots or over; less at 30 cents per pound. This is the best grade of raffia in the market and advise purchasing any that you might need in the next year or so as same will be off the market soon.

As we have 20,000 Dahlia bushes of over 1000 varieties, will be pleased to send any quotations that you might be interested in.
